

Aiken-Augusta Swim League
PO Box 2896
Augusta GA 30914

Hello,

I am writing on behalf of the Aiken- Augusta Swim League (ASL). ASL is a local, parent run, USA Swimming Club that has been in operation for over forty years. This October we are again offering the Fred Lamback Disability Swim Meet. This meet is open to anyone with an intellectual or physical disability. We expect the meet to draw about one hundred athletes from all over the country. Many of these swimmers are disabled veterans. This is a unique opportunity to provide a quality meet to these special athletes already participating in competitive swimming, and to hopefully attract new participants to the sport.

I am writing you in hopes that you can help support this effort. We are a not-for-profit, 501c3 organization and need assistance to help defray the costs of hosting this event. We already have the support of those in the highest levels of paralympic swimming and locally have the support of the Augusta Sports Council, and The Community Foundation. Our club was approached about hosting this meet because of our expertise in providing high caliber swim meets. We are gathering local financial sponsors for the meet.

We hope you are willing to be a part of this team effort to host this meet. If your organization can make a contribution, we have many ways in which we can get your name out to those participating in the event and the community at large through printed materials and our media partners. Most importantly though, you will be helping to provide a local venue in which these incredible athletes can participate. Your support could put this sort of event within reach of disabled athletes for a whole region of the United States.

Please contact me if you have any questions or wish to become a part of the effort.

Sincerely,
Terry Dennis

Contribution Levels:

While all levels of contribution are welcome, please consider one of the following:

Bronze Level: \$250

Silver Level: \$500

Gold Level: \$1000

Checks can be sent to the ASL address above, payable to ASL. Indicate on the check that the value is to support the Fred Lamback Disability Meet. Contact Terry at tgmdennis@hotmail.com regarding promotional opportunities.
